## The New Year brings new challenges

### Special points of interest:

- **Junior league teams**
- **New year dates**

We hope you all had a great Christmas and looking forward to the new year.

As you know we have had to make a lot of changes at the beginning of the season. The main reason was losing a lot of players at the same time, some to college and university and some to Saturday jobs. I am glad to say most groups have kept an even keel with only the 11am group giving us some concerns. The group was halved in one stroke and we found it difficult to fill places as this was the strongest group.

### Junior League.

We will be looking to field teams for the junior league, which was resurrected last year. This year as last year under 18 and under 15.

### CLUB SHIRTS

If you are new to our club you may have noticed that we have a club shirt, if you are interested let your head coach know and he will arrange one for you. Cost is £10.

Don't forget to look at our website which gives all the dates and times for the whole season. Also photos and reports from tournaments league and social events. [www.keynshamjbc.org.uk](http://www.keynshamjbc.org.uk)

You could also have a look at "The Week In" the free paper I am sure most of you have seen in news agents and the leisure centre. Its gives interesting news on matters that could affect you, plus news about our club.
